Administrative Order NSL-2980

Dear Mr. Newport:

Reference is made to your applications dated November 6, 1990 for two non-standard oil well locations to permit the completion of an efficient production/injection pattern in Section 31, Township 16 South, Range 37 East, NMPM, Lovington Paddock Pool, Lovington Paddock Waterflood Project Area, Lea County, New Mexico. The SW/4 NW/4 (Unit E) of said Section 31 is to be dedicated to both wells forming a standard 40-acre oil spacing and proration unit.

By the authority granted me under the provisions of General Rule 104 F(I), both of the following described unorthodox oil well locations are hereby approved.

Lovington Paddock Unit Well No. 88

Lovington Paddock Unit Well No. 89

Sincerely,

William J. LeMay
