OIL CONSERVATION DIVISION

RE: REQUEST AND NOTICE FOR:
SIMULTANEOUS DEDICATION
LATE THOMAS LEASE
S/2 SECTION 17
T24S, R37E
LEA COUNTY, NEW MEXICO

Gentlemen:

We are currently in the process of filing a C-101 and C-102 with the New Mexico Oil Conservation Division's district office in Hobbs for permission to drill a second Jalmat (Gas) well as an infield well to the same producing interval on an existing 320-acre proration unit comprised of the S/2 Section 17, T24S, R37E, Lea County, New Mexico. The subject proration unit is currently dedicated to our Late Thomas #3 located in Section 17, T24S, R37E, Unit J. I hereby file for administrative approval to simultaneously dedicate the 320-acre proration unit, consisting of the S/2 Section 17 to both our existing well (Late Thomas #3) located in Sec. 17, 24S 37E, Unit J) and our newly proposed well (Late Thomas 4) located in Sec. 17, R24S, R37E, Unit P).

Three copies of a plat showing the location of the original well on the existing 320-acre proration unit plus the location of the proposed well are enclosed.

Copies of this plat and application have also been sent to all offsetting parties owning shallow Jalmat dry gas rights. The following is a list of the offset Jalmat owners:
