RE: REQUEST AND NOTICE FOR:
SIMULTANEOUS DEDICATION
SHELL STATE "E" COM LEASE
LOTS 9-14 SECTION 6
T21S, R36E
LEA COUNTY, NEW MEXICO

Gentlemen:

We are currently in the process of filing a C-101 and C-102 with the New Mexico Oil Conservation Division's district office in Hobbs for permission to drill a second Eumont (Gas) well as an infield well to the same producing interval on an existing 230-acre proration unit comprised of Lots 9-14, Section 6, T21S, R36E, Lea County, New Mexico. The subject proration unit is currently dedicated to our Shell State "E" Com #1 & #2 located in Section 6, T21S, R36E, Units J and N. I hereby file for administrative approval to simultaneously dedicate the 230-acre proration unit, consisting of Lots 9-14 of Section 6 to both our existing wells (Shell State "E" Com #1 and #2) located in Sec. 6, 21S 36E, Units J and N) and our newly proposed well (Shell State "E" Com #3) located in Sec. 6, R21S, R36E, Unit L).

Three copies of a plat showing the location of the original well on the existing 230-acre proration unit plus the location of the proposed well are enclosed.

Copies of this plat and application have also been sent to all offsetting parties owning shallow Eumont dry gas rights. The following is a list of the offset Eumont owners:

Mr. William J. Lemay
