Dear Mr. Stogner:

Attached are copies of the notices sent to offset operators in response to your letter of June 12, 1991. Through and oversight we did not get copies of these letters sent to you. Please accept our apologies for this omission.

In addition, I have talked to representatives of both Yates Petroleum Corporation and Texaco, Inc. and neither thought they would have any objections to the locations.

Thank you for your assistance. If there is anything further that we need to do, please let me know.

Sincerely,
