

It is our understanding that this location was selected to utilize an existing wellbore originally drilled to a deeper formation.

The encroachment in this case is internal to the unit. Accordingly, there are no "affected persons" who must be notified of this application.

Pursuant to Division Rule 104.F(2) the above-described non-standard location is hereby approved.

Jurisdiction of this case is retained for the entry of such further orders as the Division may deem necessary.

Sincerely,

Mark E. Fesmire, P.E.
Director
