Gentlemen:

In accordance with the rules and regulations of the NMOCD, you as a offset operator are herewith notified that Plains Petroleum Operating Company has made application to drill a replacement well at an unorthodox location, less than 330' from the 40 acre line. The original well, McNutt State #9 was authorized and approved by Order No. R-966-C as an unorthodox location. This well will be plugged and abandoned in accordance with NMOCD rules and regulations and a replacement well drilled approximately 90' southwest of the old wellbore.

Yours truly,

PLAINS PETROLEUM OPERATING COMPANY
