Attention: Ronnie H. Westbrook

*Administrative Order NSL-3201*

Dear Mr. Westbrook:

Reference is made to your application dated October 13, 1992 for a non-standard gas well location for existing Hinton Well No. 13 located 2310 feet from the South line and 990 feet from the West line (Unit L) of Section 12, Township 22 South, Range 37 East, NMPM, Blinebry Oil and Gas Pool, Lea County, New Mexico. The SW/4 of said Section 12 shall be dedicated to the well forming a standard 160-acre gas spacing and proration unit for said pool.

By the authority granted me under the provisions of Rule 2(c) of the Special Rules and Regulations for the Blinebry Oil and Gas Pool as promulgated by Division Order No. R-8170, as amended, the above-described unorthodox gas well location is hereby approved.

Sincerely,

A handwritten signature in black ink, appearing to read "William J. LeMay". The signature is written in a cursive style with a long vertical line extending downwards from the end.

William J. LeMay  
Director
