Attention: Betty Gildon

*Administrative Order NSL-3206*

Dear Ms. Gildon:

Reference is made to your application dated November 13, 1992 for a non-standard gas well location for Diamond SM-36 State Well No. 2 to be drilled 990 feet from the South line and 1980 feet from the West line (Unit N) of Section 36, Township 24 South, Range 33 East, NMPM, Undesignated Pitchfork Ranch Morrow Gas Pool, Lea County, New Mexico. The W/2 of said Section 36 shall be dedicated to the well forming a standard 320-acre gas spacing and proration unit.

By the authority granted me under the provisions of General Rule 104.F(3) and (4), the above-described unorthodox Morrow gas well location is hereby approved.

Sincerely,

William J. LeMay  
Director
