Attention: Mark N. Stephenson

*Administrative Order NSL-3270(NSP)*

Dear Mr. Stephenson:

Reference is made to your application dated June 4, 1993, 1992 for a non-standard gas well location for your Sombrero "18" State Well No. 1 to be drilled 1900 feet from the North line and 710 feet from the West line (Unit E) of Section 18, Township 16 South, Range 34 East, NMPM, Undesignated South Kemnitz Atoka-Morrow Gas Pool, Lea County, New Mexico. Lots 1 through 4 and the E/2 W/2 (W/2 equivalent) of said Section 18 shall be dedicated to the well forming a non-standard 288.56-acre gas spacing and proration unit for said pool.

By the authority granted me under the provisions of General Rules 104.F(1) and 104.D(2), the above-described unorthodox gas well location and non-standard gas spacing and proration unit are hereby approved.

Sincerely,

A handwritten signature in black ink, appearing to read "William J. LeMay".

William J. LeMay  
Director
