Attention: John T. Gray, Production Engineer

Administrative Order NSL-3276

Dear Mr. Gray:

Reference is made to your application dated June 11, 1993 for a non-standard Morrow gas well location for existing North Feather State Unit Well No. 1 located 1650 feet from the North line and 990 feet from the East line (Unit H) of Section 16, Township 15 South, Range 32 East, NMPM, Lea County, New Mexico. The N/2 of said Section 16 shall be dedicated to the well forming a standard 320-acre gas spacing and proration unit for a well to be drilled in the Morrow formation.

By the authority granted me under the provisions of General Rule 104.F(1) the above-described unorthodox gas well location is hereby approved.

Sincerely,

A handwritten signature in black ink, appearing to read "William J. LeMay".
