Case #1R255**

Dear Mr. Von Gonten:

Please find enclosed two additional figures as an addendum (per our 3/7/07 meeting) to the above-referenced report. The figures illustrate geological cross sections detailing site lithology, monitor well screen intervals, and groundwater level elevations.

Should you have any questions or comments concerning this addendum, please call me at (281) 561-3466 or Luke Markham with CRA at (432) 686-0086.

Sincerely,

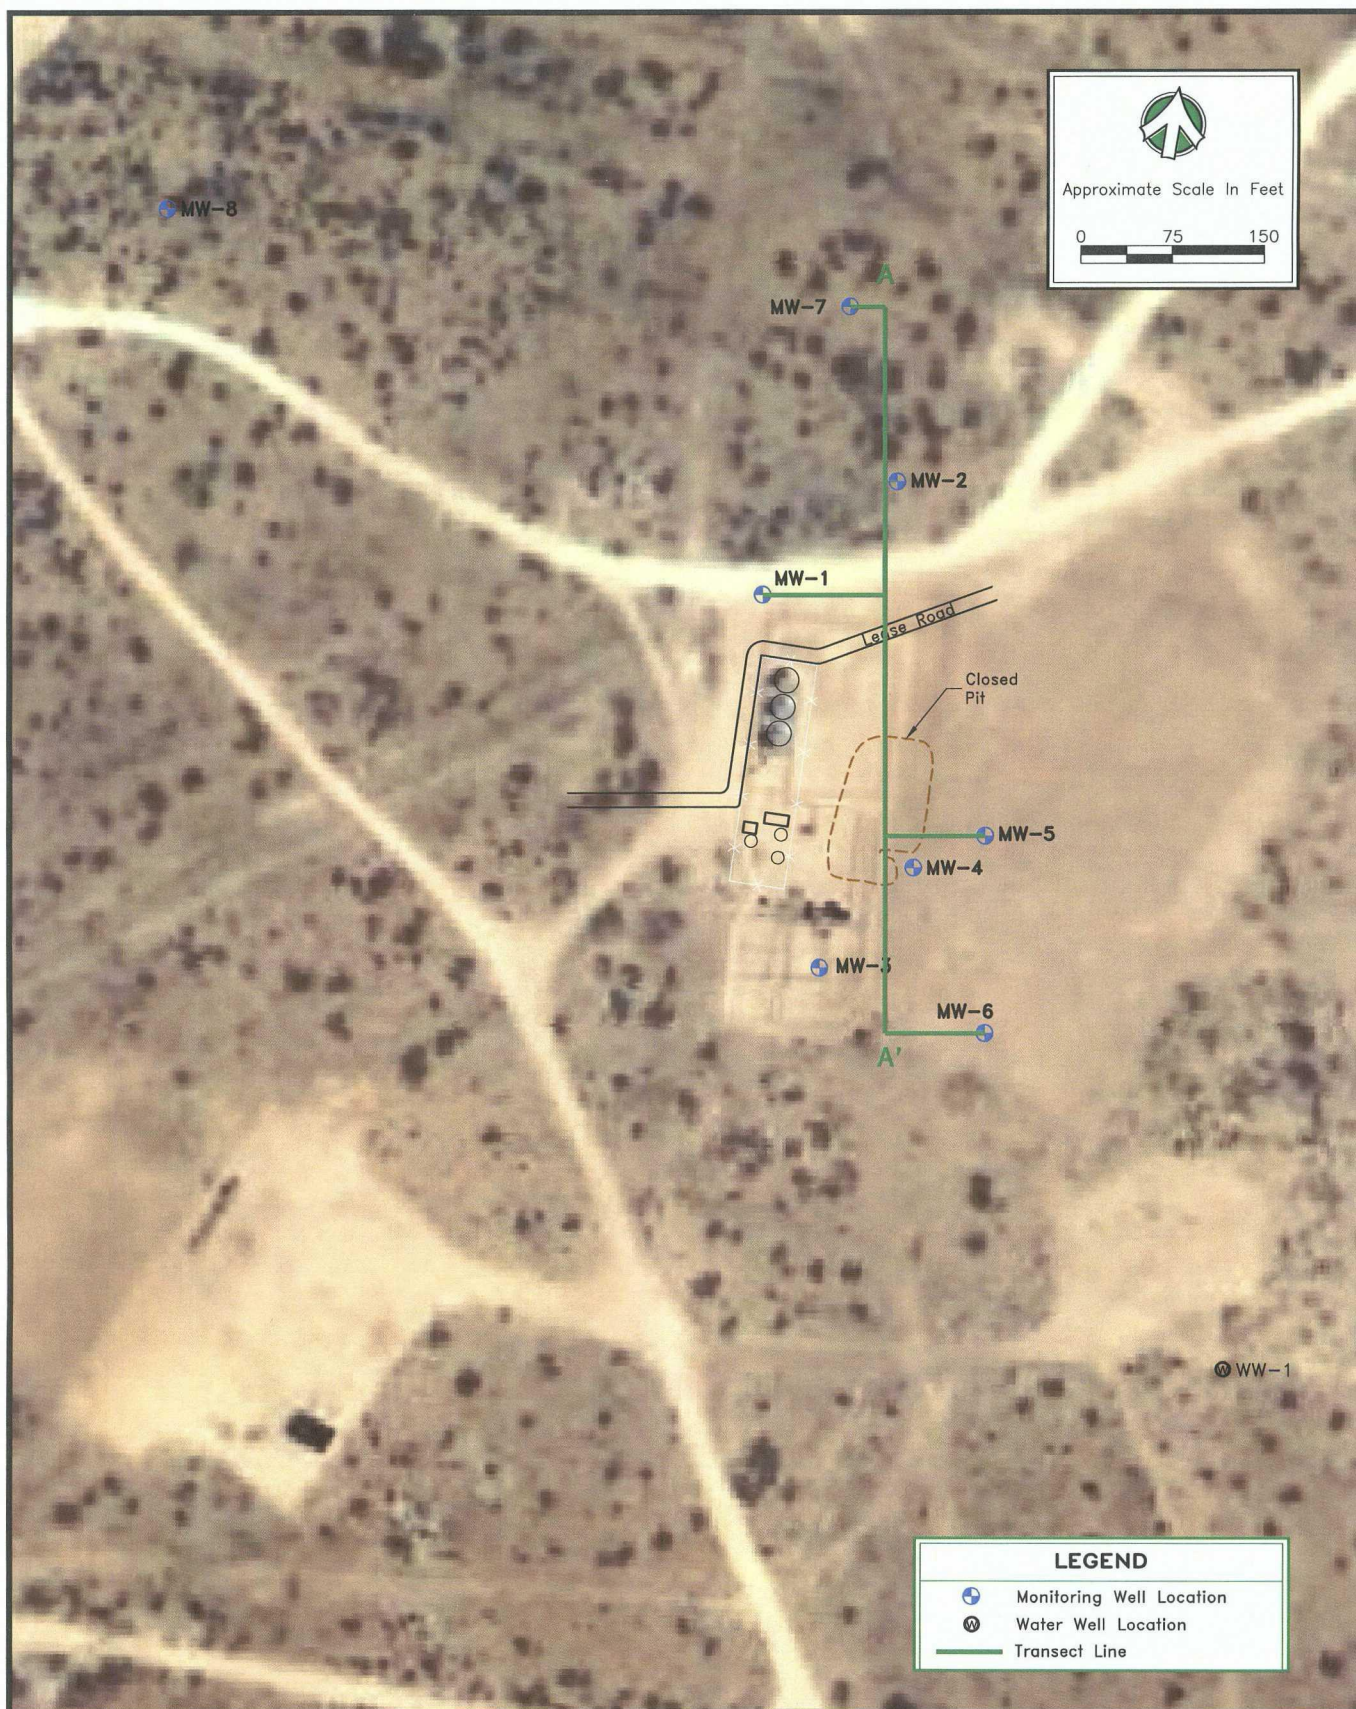

A handwritten signature in black ink, appearing to read "Matthew P. Hudson", written over a horizontal line.
