Subject: Plains DS Hugh Release Site

Ed,

Pursuant to our conversation Plains respectfully requests soil closure at the DS Hugh release site. Premier Environmental Services on behalf of Plains submitted the Soil Closure Request dated March 2007 NMOCD Ref# 1R-0463 which details remedial activities conducted for soil closure at the site. Soil remediation was conducted per NMOCD approval letter dated May 31, 2006. At this time Plains is requesting soil closure at the site with PSH recovery and groundwater monitoring to be on-going.

Please contact me with any questions or comments.

Sincerely,

Camille Reynolds
