Describe Cause of Problem and Remedial Action Taken.*

On March 14, 2008 @ unknown hrs, a range grass fire was burning in Lea County, NM. The fire burned thru portions of ConocoPhillips Lea and Philmex leases on 3/14/2008 - 3/15/2008. There was no property damage to COPC equipment. This is one of several fires that burned approx +75,000 acres of range land in Lea County. Local and state agencies responded to the fire. NMOCD has been notified of incident. Cause of fire is undetermined at this time.

Describe Area Affected and Cleanup Action Taken.*

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
