Subject: RE: Need approval for two workplans

OCD hereby approves of the investigation plans for the two sites listed. The EME A-12 and EMEI-1 has been assigned OCD case numbers 1R0463 and 1R0464 respectfully.

460 336

Please be advised that NMOCD approval of this plan does not relieve ROC of Responsibility should their operations fail to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD approval does not relieve ROC of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Wayne

It seems we've sort of lost touch with a couple of work plans submitted early last year. We would like to move on and complete the proposed work for the two sites listed below. I have attached the work plans (Investigation & Characterization Plans) associated for each site.

EME A-12 Release Site (T20S, R36E, Section 12, Unit Letter A)
EME I-1 Offsite Encroachment Site (T20S, R36E, Section 1, Unit Letter I)

We are seeking your approval to proceed as proposed.

Thanks,
Gil
