Corrected
Administrative Order NSL-3456

Dear Mr. Jackson:

It has been brought to my attention that the "West "B" Federal Well No. 84" authorized by Division Administrative Order NSL-3456 to be drilled at an unorthodox oil well location 2620 feet from the South line and 10 feet from the West line (Unit L) of Section 4, Township 17 South, Range 31 East, NMPM, Eddy County, New Mexico, was referenced incorrectly in said order as the "Keel "B" Well No. 84".

At this time Division Administrative Order NSL-3456, dated January 12, 1995, shall be amended to reflect said correction. Further, all other provisions of said order shall remain in full force and effect until further notice.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read "William J. LeMay".
