Re: **Completion of Final Closure Activities: Plugging and Abandonment of Monitoring Well
South Mattix Sump - Plains SRS Number: 2000-10410
NMOCD Number: 1R-0091
Lea County, New Mexico**

Dear Ms. Reynolds:

Conestoga-Rovers and Associates (CRA) is pleased to submit Plains Pipeline, L.P. (Plains) four copies of the New Mexico Office of the State Engineer Well Record for plugging and abandonment of monitor well MW-1 at the above referenced Site. As outlined in the February 19, 2008 correspondence (attached), CRA understands that the New Mexico Oil Conservation Division (NMOCD) concurs that no further action is warranted at the Site at this time. Consequently, CRA recommends Plains request written acknowledgement of this submittal from the NMOCD. If you have any questions or comments regarding this correspondence, please do not hesitate to contact us.

Yours truly,

CONESTOGA-ROVERS & ASSOCIATES

Luke D. Markham
Project Manager

Luke,

This is the other site we spoke about. It is the South Mattix Sump SRS#2000-10410 located in SW 1/4, NE 1/4 Sec. 15, T24S, R37E in Lea County. I will get you the driving directions ASAP.

Call me with any questions.

Thanks for your help.

Sincerely,
Camille

Subject: RE: Final closure Plains South Mattix site (1R-0091)

Dear Ms. Reynolds:

The New Mexico Oil Conservation Division (OCD) has reviewed your request for final closure of the above referenced site. The OCD hereby approves the closure of the above referenced site. Also, the OCD hereby approves the plan to plug and abandon the groundwater monitoring well at the site. Please submit a well plugging report within 30 days once the well has been plugged and abandoned.

Also, please be advised that OCD approval does not relieve the owner/operator of responsibility should operations pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the owner/operator of responsibility for compliance with any OCD, federal, state, or local laws and/or regulations.

If you have any questions regarding this matter, please call me at 505-476-3489.

Edward J. Hansen
Hydrologist
Environmental Bureau

Subject: Final closure Plains South Mattix site

Ed,

Pursuant to our conversation Plains respectfully requests final closure of the South Mattix release site. EPI on behalf of Plains submitted the 2006

Annual Monitoring and Soil Closure Report dated April 2007 NMOCD Ref# 1R-0091 which details remedial activities conducted for soil and groundwater closure

FW Final closure Plains South Mattix site (1R-0091)
of the site. At this time Plains is requesting final closure of the site and NMOCD
approval to plug and abandon the 1 monitor well on-site.

Please contact me with any questions or comments.

Sincerely,

Camille Reynolds
Remediation Coordinator
