Mark E. Fesmire, P.E.
Oil Conservation Division
1220 South St. Francis Drive
Santa Fe, New Mexico 87505

Dear Mr. Fesmire:

Pursuant to Division Rule 104.F(2), BEPCO, L.P. applies for approval of an unorthodox oil well location for the following well:

<u>Well:</u>	Poker Lake Unit Well No. 248
<u>Location:</u>	1050 feet FSL & 410 feet FWL
<u>Well unit:</u>	SW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 20, Township 24 South, Range 30 East, N.M.P.M., Eddy County, New Mexico

The well will be drilled to a depth sufficient to test the Delaware formation (Nash Draw-Delaware Pool). The formation is spaced on statewide rules, with 40 acre spacing, and wells to be located no closer than 330 feet to a quarter-quarter section line. A Form C-102 is attached as Exhibit A.

The location is based on topographical reasons. Attached as Exhibit B is a topographic plat, showing areas of high relief in the southern part of the well unit, requiring the well to be moved to the north of an orthodox location.

All of Section 20 is covered by Federal Lease NM 02860, which has common ownership. Exhibit C. There is no adversely affected party, and notice has not been given to anyone.

Please contact me if you need any further information on this application.

Very truly yours,

James Bruce

Attorney for Bass Enterprises Production Co.
