Hi -David,

I just received word from our Land department that Burlington owns 100% of the lease in both the NE/4 & SE/4 of Section 19.

Hope this helps you with the NLS determination. If you have more questions, let me know. Thanks. Patsy

Dear Ms. Clugston

It appears that the offsetting spacing units towards which this proposed location encroaches in both the Barker Dome Ismay and Barker Dome Hermosa formations will be the SE/4 of Section 19. Please confirm if Burlington owns 100% of the working interest in the SE/4, as well as the NE/4 of Section 19, or if working interest ownership is otherwise identical between these two leases.

Thanks
