Re: Administrative application of Mewbourne Oil Company for approval of an unorthodox gas well location for the following well:

<u>Well:</u>	Esperanza "19" Fed. Com. Well No. 1
<u>Location:</u>	1938 feet FSL & 393 feet FEL
<u>Well Unit:</u>	S½ of Section 19, Township 21 South, Range 27 East, N.M.P.M., Eddy County, New Mexico

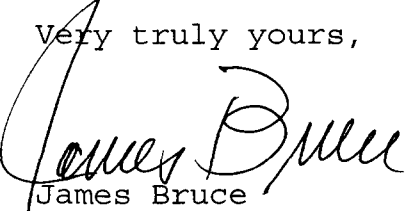

Dear Mr. Stogner:

Enclosed is a waiver of objection from OXY USA WTP Limited Partnership, the only offset.

Also enclosed is information on the Morrow formation (the primary target of the well). The Morrow is thickest in the NE¼SE¼ of Section 19, and thus applicant desires to remain in that quarter-quarter section.

Please call if you need further information.

Very truly yours,

T21S, R27E
Eddy County, New Mexico

Gentlemen:

As discussed, in consideration of OXY USA, WTP Limited Partnership (Oxy) waiving objection to NMOCD approval of Mewbourne Oil Company's (Mewbourne) proposed unorthodox location referenced above, Mewbourne agrees to waiver objection for a Oxy mirror location, i.e., an Oxy location for a well spaced on 320 acres which is no closer than 393' FWL in the SW/4 of Section 20, T21S, R27E, Eddy County, New Mexico. Such agreement is conditioned upon the NMOCD granting approval for the captioned proposed unorthodox location.

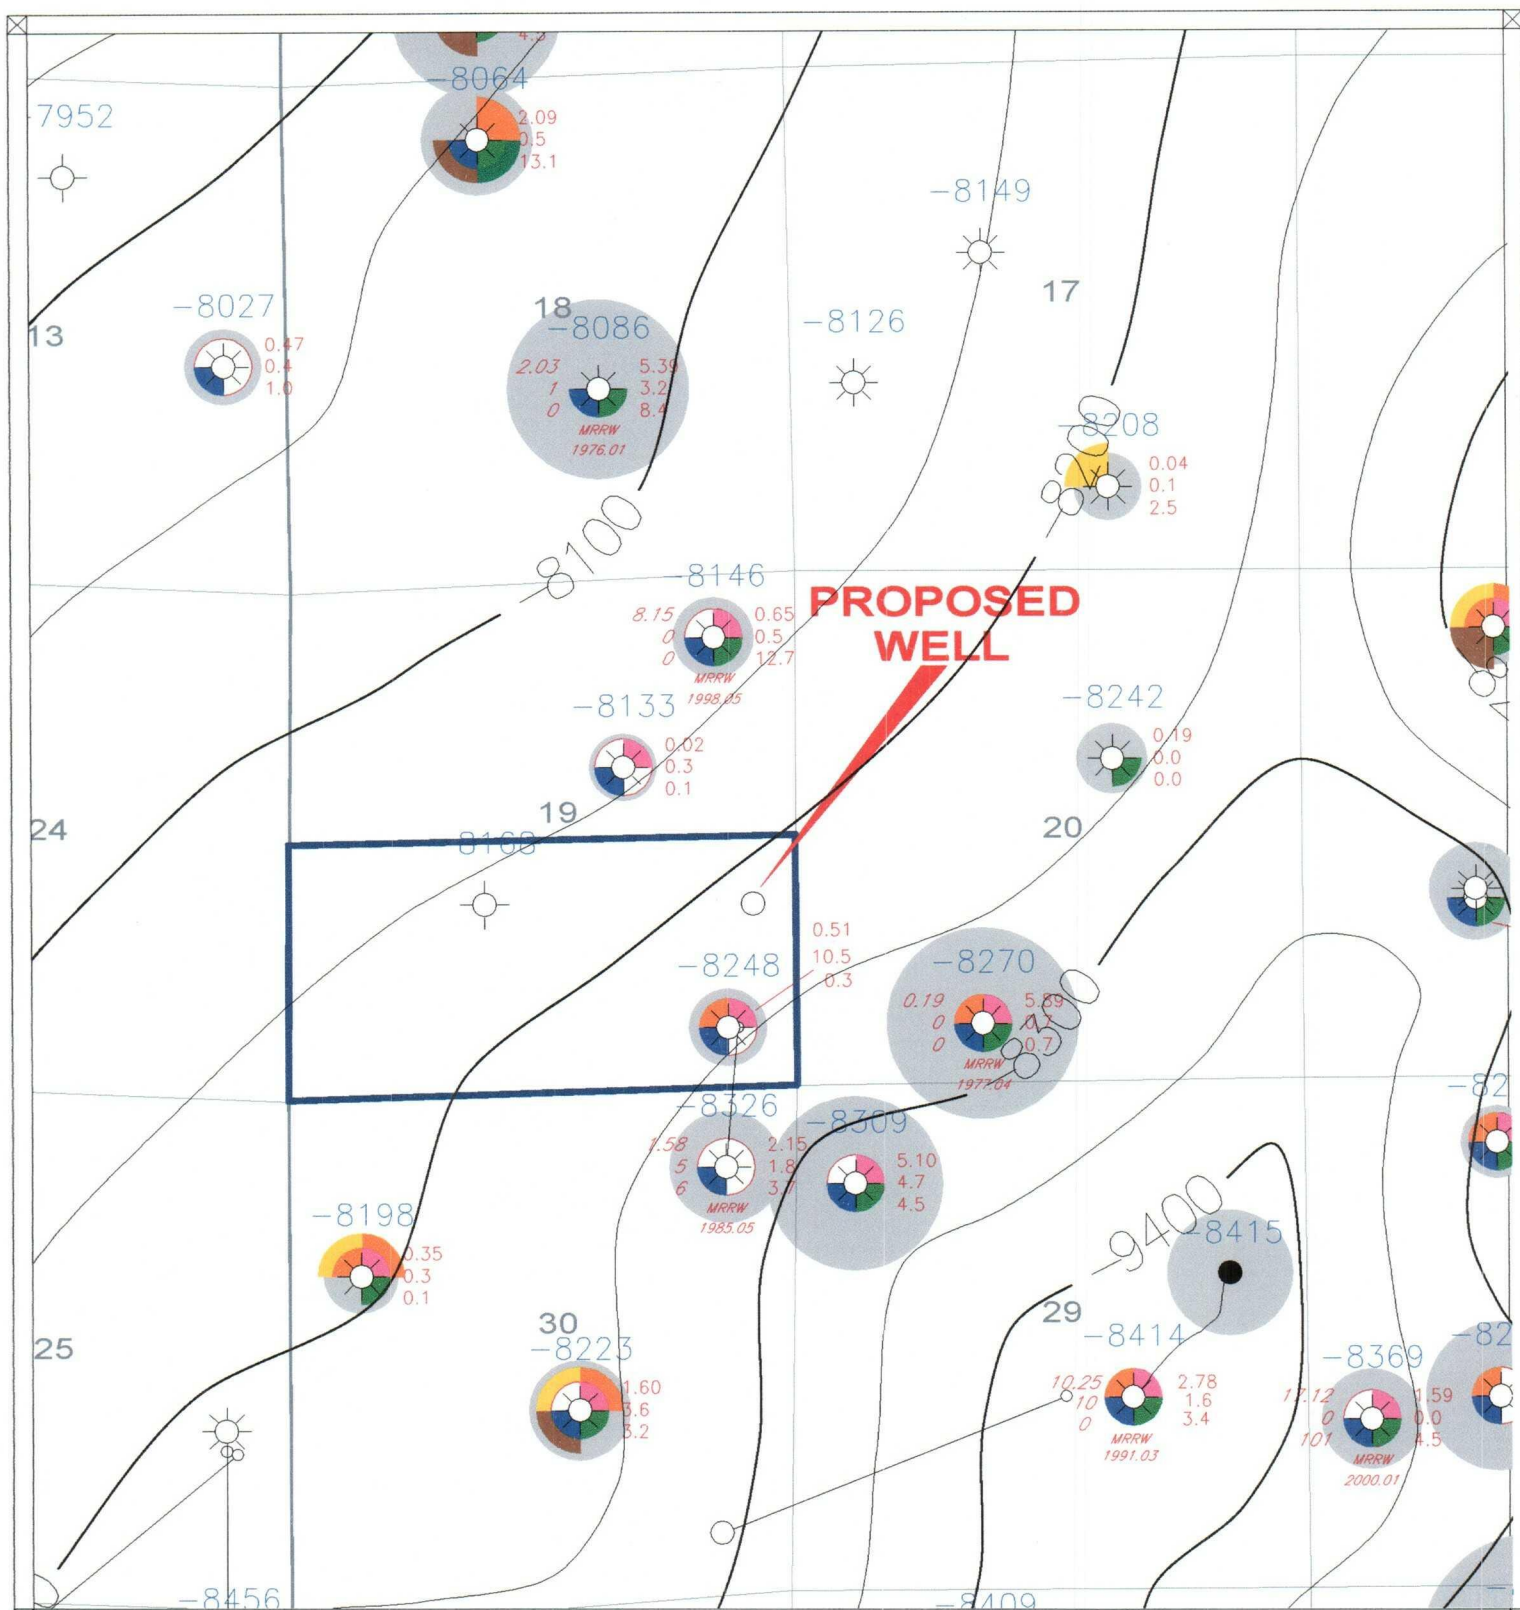

Please indicate Oxy's waiver of objection under the terms referenced above by signing and returning the duplicate original of this letter to the undersigned on or before November 14, 2003.

Sincerely yours,
