Dear Sir:

On December 27, 1955, Gulf Oil Corporation filed an application with the Oil Conservation Commission of New Mexico for approval of a 160-acre non-standard gas proration unit in the Eumont Gas Pool. By an oversight on our part, we neglected to furnish you, as an off-set operator to our L. W. White "B" Lease, S/2, Section 35, T-20-S, R-36-E, Lea County, New Mexico, a copy of said application.

We are therefore attaching a copy of the application for the non-standard gas proration unit for your reference.

Yours very truly,

J. R. SHERMAN
