Mr. Wilson,

Please see the attached request for a corrective action work plan for the recent release of produced fluids that occurred at your Exxon State SWD Commercial Disposal Facility.

If you have any questions or concerns, please contact me.

Sincerely,

Mike Bratcher NMOCD District 2 575-748-1283 Ext.108

Mr. Wilson,

The New Mexico Oil Conservation Division District 2 Office (OCD) is in receipt of an initial report Form C-141 reporting a release of produced fluids at or near the above referenced facility site. The release reportedly occurred on or about August 14, 2009. Please submit a corrective action work plan proposal (plan) for remediation and/or removal of contaminants that may be present at this site. The plan is to be formulated based on <u>vertical and horizontal delineation</u> of contamination, site ranking, and OCD rules, regulations and guidelines.

A publication is available to you on the OCD website to aid in formulation of this plan. The publication may be found as follows:

#### http://www.emnrd.state.nm.us/ocd

Click on each of the following items as they appear:

- Publications
- Environmental Handbook
- Miscellaneous Guidelines
- Remediation of Leaks, Spills and Releases

Please submit this plan to the OCD District 2 Office not later than September 21, 2009. Please include any remedial or clean up actions that may have been already performed, such as any immediate response corrective actions.

Clean up/remediation requirements may be subject to other federal, state, local laws and/or regulations.

Sincerely,

Mike Bratcher
