I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

RE: Release Notification – Form C-141
Hobbs District (GW-072)
BJ Services Company, USA
11211 FM 2920
Tomball, TX 77375

Dear Mr. Brown:

BJ Services Company, U.S.A. has enclosed New Mexico Oil Conservation District's Form C-141. This is being submitted as an initial report for a release that was discovered at the Hobbs District located at 2708 West County Road, Hobbs, NM.

If there are any questions or comments, please contact me at (281) 357-2573.

Thank You.

Josh Morrisette
HSE Specialist
