RE: H. S. Turner No. 1
Non-standard Eumont Gas Proration Unit
Section 29, T-21S, R-37E
Lea County, New Mexico

Dear Mr. Ramey:

Atlantic Richfield Company respectfully requests administrative approval of an 80-acre non-standard Eumont gas proration unit for the H. S. Turner No. 1, located in Unit N, Section 29, T-21S, R-37E, Lea County, New Mexico. The proration unit is the entire H. S. Turner lease which consists of the South/2 of the Southwest/4 of Section 29. Presently, the H. S. Turner No. 1 is an open hole Penrose Skelly Grayburg completion, but a recompletion attempt to the Eumont gas zone is planned for the near future. The Turner No. 1 is expected to support the 80-acre unit.

Attached are an acreage dedication plat, a map of the area, and a list of offset operators. These operators are being notified of this action with a copy of this letter. Atlantic Richfield believes approval of this unit will promote conservation, protect correlative rights, and insure efficient recovery of gas reserves. Your favorable consideration will be appreciated.

Very truly yours,

J. L. Tweed
