Dear Sirs:

On 11/25/09 we submitted a sundry to the Bureau of Land Management changing one of the zones completed on this well from the WC Barker Dome Hermosa to the Honaker Trail and Ismay. The actual perforations have not changed, just the name the zones. This name change is to comply with the Ute Mtn Ute Tribe and Durango BLM's naming conventions. See the attached plat for with the correct pool name.

The zones currently completed in this well are the Barker Dome: Desert Creek; Barker Dome: Ismay; Barker Dome: Akah; and the Honaker Trail. The new allocation percentages are also attached. The Allocation is 58% Desert Creek, 20% Ismay and 22% Honaker Trail with the Ismay plugged back, so no percentage will be allocated to that zone. Please make the noted changes to your records.

Thanks for your help and if you should have questions call me at 505-326-9518.

Sincerely,
ConocoPhillips Company
