RE: REQUEST AND NOTICE FOR:
SIMULTANEOUS DEDICATION
MATTIE JAMES LEASE
NE/4 SECTION 10
T22S, R36E
LEA COUNTY, NEW MEXICO

Gentlemen:

We are currently in the process of filing a C-101 and C-102 with the New Mexico Oil Conservation Division's district office in Hobbs for permission to drill a second Jalmat (Gas) well as an infield well to the same producing interval on an existing 160-acre proration unit comprised of the NE/4 Section 10, T22S, R36E, Unit F, Lea County, New Mexico. The subject proration unit is currently dedicated to our Mattie James #1 located in Section 10, T22S, R36E, Unit F. I hereby file for administrative approval to simultaneously dedicate the 160-acre proration unit, consisting of the NE/4 Section 10 to both our existing well (Mattie James #2) located in Sec. 10, 22S 36E, Unit F and our newly proposed well (Mattie James #1) located in Sec. 10, 22S, 36E, Unit A.

Three copies of a plat showing the location of the original well on the existing 160-acre proration unit plus the location of the proposed well are enclosed.

Copies of this plat and application have also been sent to all offsetting parties owning shallow Jalmat dry gas rights. The following is a list of the offset Jalmat owners:

Mr. William J. Lemay
