Attn: Mr. Jerry Sexton

Dear Mr. Sexton:

Amerada Hess Corporation (AHC) respectfully requests approval to drill and complete the H. W. Andrews #15 on a standard well location and simultaneously dedicate this well to the H. W. Andrews Eumont Gas Proration Unit. The required 'Application to Drill' package has been filed with the appropriate Bureau of Land Management (BLM) office in Carlsbad for approval.

The AHC H. W. Andrews lease was approved as a non-standard proration unit under order R-573 approving 240 acres consisting of the W/2 W/2 of Section 12, T-20S, R-36E and the E/2 NE/4 of Section 11, T-20S, R-36E and had dedicated thereon the H. W. Andrews #1 well located 660' FNL and 660' FWL in Section 12, Unit letter D. By Division Administrative Order NSL-3151 (SD) (September 9, 1992) the H. W. Andrews #3 was added to the GPU at a non-standard location 1980' FNL and 660' FEL of Section 11, Unit letter H. Subsequently, by Division Administrative Order NSL-3151-A (SD) (December 1, 1994), the H. W. Andrews #6 was added to the GPU at a non-standard location 660' FSL and 660' FWL of Section 12, Unit letter M.

Attached is an original 'Well Location and Acreage Dedication Plat' (NMOCD form C-102) depicting the AHC H. W. Andrews Gas Com and its' dedicated producers, a general acreage ownership plat, and a copy of the H. W. Andrews #15 'Application for Permit to Drill' (BLM form 3160-3) package with required BLM attachments (i.e. archeological survey, surface use plan, etc.) as previously filed with the BLM.

Your consideration and approval of this application is appreciated.

Sincerely,

Robert L. Williams Jr.

Said GPU was authorized by Division Order R-573, dated January 13, 1955 and had dedicated thereon the H. W. Andrews Well No. 1 located in Unit D of said Section 12.

It is my understanding that the subject well in this application is temporarily abandoned in the Eunice Monument Grayburg San Andres Pool and upon issuance of this order will be recompleted in the Eumont Gas Pool.

By authority granted me under the provisions of Rule 2(c) of the Special Rules and Regulations for the Eumont Gas Pool, as promulgated by Division Order No. R-8170, as amended, the following described well located at an unorthodox gas well location is hereby approved:
