September 25, 1956

Oil Conservation Commission  
Box 871  
Santa Fe, New Mexico

Att: Mr. Warren Mankin

Dear Warren:

We have received copies of Operators' applications for non-standard units covering your NWU numbers 180 through 184. You have asked me to indicate if they have my approval.

As they all appear to meet the requirements of the Rule I see no reason why the NWU's should not be written unless there is objection from offset operators.

Yours very truly

A handwritten signature in cursive script, appearing to read "Emery C. Arnold".

Re: Application for Exception to Rule 1 (a)  
of Order No. R-128-C for Non-Standard  
Proration Unit, Blanco Mesaverde Gas  
Pool, San Juan County, New Mexico

Gentlemen:

El ~~Paso Natural Gas Company~~ hereby submits its application for administrative approval of a non-standard unit comprising the West Half (W/2) (or Lots 1, 2, 3, 4, NE/4 NW/4, SE/4 NW/4, NE/4 SW/4, SE/4 SW/4) of Section 31, Township 30 North, Range 10 West, San Juan County, New Mexico, and in support thereof states the following facts:

1. The Ludwick #7 well is located 1650 feet from the South line and 990 feet from the West line of Section 31, Township 30 North, Range 10 West, N.M.P.M., and was dually completed as a gas well on June 10, 1956 in the Mesaverde formation and the Pictured Cliffs formation.
2. That the proposed non-standard gas proration unit consists of 306.40 acres which are contiguous quarter-quarter sections and lots.
3. The proposed non-standard gas proration unit lies wholly within a single government section.
4. That the proposed non-standard gas proration unit may reasonably be presumed to be productive of gas.
5. That by copy of this letter of application all operators owning interests (a) in the section in which any part of the non-standard proration unit is situated and which acreage is not included in said non-standard gas proration unit, and (b) in acreage offsetting the non-standard gas proration unit, are notified by registered mail of this proposed non-standard gas proration unit.

in lot 3

Oil Conservation Commission

Therefore, El Paso Natural Gas Company requests that under the provision of Rule 1 (b) of Order No. R-128-C, the Secretary of the Commission grant exception to Rule 1 (a) without Notice and Hearing, and approve the subject non-standard gas proration unit.

Respectfully submitted,

EL PASO NATURAL GAS COMPANY
