Re: Administrative Order NWU-196

Attention: Mr. Herman High

Gentlemen:

On January 17, 1957 you applied for a non-standard proration unit consisting of the W/2 of Section 18, Township 31 North, Range 12 West, San Juan County, New Mexico, in the Blanco Mesaverde Gas Pool. This unit was to be dedicated to your Government Reid Well No. 1, located 1150 feet from the South line and 953 feet from the West line of said Section 18. This non-standard unit was issued as NWU-196 on January 25, 1957.

Numerous government Forms 9-331a and the well log Form 9-330 submitted on August 8, 1956, reflect this well location as 990 feet from the South line and 953 feet from the West line of said Section 18.

Please submit amended letter of application reflecting the correct well location so that NWU-196 can be amended accordingly.

Very truly yours,

A. L. PORTER, JR.
