Re: Application for approval of  
Non-Standard Proration Unit

New Mexico Oil Conservation Commission  
125 Mabry Hall, Capital Building  
Santa Fe, New Mexico

Attention Mr. A. L. Porter

Gentlemen:

As the result of a recent trade of properties in the Bisti field, San Juan County, New Mexico between Shell Oil Company and Phillips Petroleum Company, two standard (east-west) proration units located in the NW/4, Section 15, T. 25 N., R. 12 W., N.M.P.M., have been divided between the two companies. We therefore request your approval to rededicate the E/2 of the NW/4 of Section 15 as a non-standard (north-south) proration unit (see attached plat). Should Sunray Mid-Continent Oil Company, operator of the Central Bisti Unit, propose to rededicate the west half of the above mentioned quarter section, we, as offset operators, are in agreement with their proposal.

Very truly yours,

*R. R. Robison*

R. R. Robison  
Division Production Manager
