Gentlemen:

Redfern & Herd, Inc. hereby submits its application for administrative approval of a non-standard unit comprising the West Half (W/2) (or Lots 1, 2, 3, 4, E/2 NW/4, E/2 SW/4) of Section 7, Township 29 North, Range 11 West, San Juan County, New Mexico, and in support thereof states the following facts:

1. The Cooper #1 Well, located 990 feet from the South line and 1450 feet from the West line of Section 7, Township 29 North, Range 11 West, is to be drilled and completed as a Dakota gas well.
2. That the proposed non-standard gas unit consists of 305.76 acres which are contiguous quarter-quarter sections and lots.
3. That the proposed non-standard gas unit lies wholly within a single government section.
4. That the proposed non-standard gas unit may reasonably be presumed to be productive of gas.
5. That the length and width of the proposed non-standard gas unit does not exceed 5280 feet.

Oil Conservation Commission
October 17, 1960
Page Two

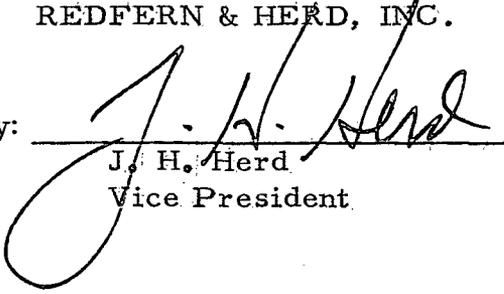

6. That by copy of this letter of application all operators owning interests (a) in the section in which any part of the non-standard unit is situated and which acreage is not included in said non-standard gas unit, and (b) in acreage offsetting the non-standard gas unit, are notified by registered mail of this proposed non-standard gas unit.

Therefore, Redfern & Herd, Inc. requests that under the provisions of Rule 1 (b) of Order No. R-1287, the Secretary of the Commission grant exception to Rule 1 (a) without Notice and Hearing, and approve the subject non-standard gas unit.

Respectfully submitted,

REDFERN & HERD, INC.

Gentlemen:

On October 17th, we sent you application for administrative approval of a non-standard unit comprising the West Half of Section 7, Township 29 North, Range 11 West, San Juan County, New Mexico.

We are anxious to commence drilling this well and have wired the offset operators as per the enclosed wires.

We would appreciate if if you would call or wire us collect when you approve this unit.

Very truly yours,

REDFERN & HERD, INC.
