Gentlemen:

Enclosed are Administrative Orders NWU-419 and NWU-420 which replace Administrative Orders NSP-557 and NSP-558, dated May 29, 1961. The NSP prefix is used as identification for non-standard proration units in Southeastern New Mexico and were incorrectly assigned to the orders authorizing the two non-standard proration units applied for and located in Northwest New Mexico.

Please note that the location of the unit comprising 305.92 acres has been corrected as requested by telephone by Mr. Allred.

Very truly yours,

A. L. PORTER, Jr.,
