Mr. A. L. Porter, Secretary & Director  
Oil Conservation Commission  
Box 871  
Santa Fe, New Mexico

Dear Mr. Porter:

This is to advise that as an owner of an oil and gas lease covering the Dakota rights on offset acreage I have no objection to the unorthodox location proposed by El Paso Natural Gas Company Bruington Pool Unit No. 4 as outlined in their letter of August 3, 1961, addressed to you.

Yours very truly,

CARL H. NOEL

Re: Application for Exception to Rule 5(A)  
Of Order R-1670-C for a Non-Standard  
Proration Unit, Basin-Dakota Gas Pool  
San Juan County, New Mexico

Gentlemen:

In accordance with Rule 5(B) of Order R-1670-C, El Paso Natural Gas Company, as Operator, hereby submits its application for administrative approval of the following Non-Standard Proration Unit in the Dakota Formation of the Basin-Dakota Gas Pool. The well name, description of the drilling block, and the size of the proration unit covered by this application is as follows:

<u>Well Name and Drilling Block</u>	<u>Location</u>	<u>No. of Acres</u>	<u>Kind of Well</u>
Bruington Pool Unit #4 T-30-N, R-11-W Section 6: Lots 6,7, E/2 SW/4, SE/4 (S/2)	SW/4 Section 6 T-30-N, R-11-W	<u>324.40</u>	Gas

and in support thereof states the following fact:

That the above proposed non-standard gas proration unit consists of the number of acres shown and is an unorthodox size or shape due to ~~a variation in the legal sub-~~ division of the United States Public Land Survey. (Plats attached)

Therefore, El Paso Natural Gas Company requests that under the provisions of Rule 5(B) of Order R-1670-C, the Secretary of the Commission grant

exception to Rule 5(A) without Notice and Hearing and approve the subject non-standard proration units.

Respectfully submitted,

EL PASO NATURAL GAS COMPANY
