Attention: Mr. A. L. Porter, Jr.

Gentlemen:

We represent Century Exploration Company. It requests administrative approval of a non-standard gas proration unit in the Basin Dakota Gas Pool in San Juan County, in accordance with Rule 5 of Order R-1670-C.

The necessity for the non-standard proration unit arises by virtue of the fact that the W $\frac{1}{2}$ Section 27, Township 25 North, Range 9 West contains a total of 327.29 acres as shown on the official BLM survey.

The area has been communitized and Century Exploration Company is the unit operator.

The well to which the non-standard proration unit is to be dedicated is located 1190 feet from the North line and 790 feet from the West line (NW $\frac{1}{4}$ NW $\frac{1}{4}$) Section 27, Township 25 North, Range 9 West.

Very truly yours,

HERVEY, DOW & HINKLE
