Re: Application of Aztec Oil & Gas
Company for an Exception to
Rule 5(a) of Order R-1670-C for
Administrative Approval of a
Non-Standard Unit in the Basin-
Dakota Gas Pool, San Juan County,
New Mexico

Dear Mr. Porter:

Pursuant to Rule 5(b) of Order R-1670-C, Aztec Oil & Gas Company hereby submits its application, in triplicate, for an exception to Rule 5(a) of such Order and Administrative Approval of a Non-Standard Unit consisting of the E $\frac{1}{2}$ of Section 12, T-31-N, R-12-W, N.M.P.M., San Juan County, New Mexico.

In support of this application, Applicant respectfully states and shows the following:

1. A location has been staked one thousand six hundred and fifty feet (1650') from the south line and one thousand six hundred and fifty feet (1650') from the east line of Section 12 for the proposed well to be known as the Davis #9-D.

2. Applicant owns all the acreage within the Non-Standard Unit and owns all offsetting acreage to such unit.

3. The Non-Standard Unit consists of contiguous quarter-quarter sections or lots and comprises a total of 278.78 acres. The unorthodox size of the unit is due to a variation in the legal subdivisions of the United States Public Lands Survey.

Mr. A. L. Porter, Jr.

-2-

September 18, 1962

Applicant respectfully requests that this application be promptly considered and that approval be administratively granted pursuant to Rule 5(b) of Order R-1670-C for the Non-Standard Unit above described.

Very truly yours,

AZTEC OIL & GAS COMPANY
