Re: Non-Standard Producing Unit

Dear Mr. Porter:

Administrative approval is requested for a non-standard Dakota gas producing unit embracing the N/2 Section 6, Township 27 North - Range 14 West, NMPM, San Juan County, New Mexico, containing 330.76 acres.

The W/2 of the NW/4 when surveyed contained 90.76 acres instead of 80 acres. The Communitization Agreement embracing the unit is as follows and has been forwarded to John Anderson for approval.

Curtis J. Little	160 acres	Percentage	48.37
Global Oils, Inc.	170 acres	Percentage	<u>51.63</u>
		Total	100.00

Mr. Anderson's office advised that I should first obtain this approval prior to request for Navajo Tribal approval of Communitization Agreement.

If your office is in need of additional information, please call me collect at the above telephone number.

Yours very truly,

  
Curtis J. Little
