Gentlemen:

We request administrative approval to increase the dedicated acreage from eighty (80) to one hundred two and 97/100 (102.97) acres on the above subject well.

1. The Units involved are contiguous.
2. They are part of the same basic lease, carrying the same royalty interest - Tenneco Oil Company 80% and Santa Fe Pacific RR 20%.
3. The ownership of the Units involved is 100% Tenneco Oil Company.

Please find attached three (3) copies of a certified plat showing the dimensions and acreage involved in the pooling, the ownership of all leases and royalty interests involved, and the location of any proposed wells. We are also attaching a copy of our letter forwarded to G. S. Maxwell, the offset operator, via certified mail (certification attached) regarding this request for approval.

Your early approval of this request after the ten-day waiting period will be appreciated.

Yours very truly,

TENNECO OIL COMPANY
