Mark E. Fesmire, P.E.
Oil Conservation Division
1220 South St. Francis Drive
Santa Fe, New Mexico 87505

Dear Mr. Fesmire:

Pursuant to Division Rule NMAC 19.15.15.13, Cimarex Energy Co. of Colorado applies for approval of an unorthodox oil well location for the following well:

<u>Well name:</u>	Burton "6" Fed. Well No. 2
<u>Surface location:</u>	475 feet FNL & 1500 feet FWL
<u>Bottom hole location:</u>	330 feet FSL & 1980 feet FWL
<u>Well unit:</u>	E½W½ of Section 6, Township 20 South, Range 30 East, N.M.P.M., Eddy County, New Mexico

The well is in the Parkway-Bone Spring Pool, which is an oil pool. Under Oil Conservation Division regulations, wells in the pool are spaced on 40 acres, with wells to be no closer than 330 feet to a quarter-quarter section line. A Form C-102 is attached as **Exhibit A**.

Applicant desired to place the proposed well at an orthodox location, but the Bureau of Land Management requested the location be moved to the west to avoid surface disturbance (the surface drops off to the east). **Exhibit B**.

The W½ of Section 6 is covered by Federal Lease NM 124659, with common ownership. **Exhibit C**. Therefore, no one has been sent notice of this application.

Please call me if you have any questions concerning this application.

Very truly yours,

James Bruce

Attorney for Cimarex Energy Co. of Colorado
