## ORDER

1. Operator agrees to bring 9 of the wells identified in Exhibit "A" into compliance with OCD Rule 19.15.25.8 NMAC by July 18, 2011 by
  - (a) restoring the well to production or other OCD-approved beneficial use and filing a C-115 documenting such production or use;
  - (b) causing the wellbore to be plugged in accordance with OCD Rule 19.15.25.10(B) NMAC and filing a C-103 describing the completed work; or
  - (c) placing the well on approved temporary abandonment status in accordance with OCD Rule 19.15.25.12 NMAC through 19.15.25.14 NMAC.
2. Operator must bring wells **EMPIRE ABO UNIT #035A** (API #30-015-01715) and **EMPIRE ABO UNIT #341** (API #30-015-21797), into compliance with OCD Rule 19.15.25.8 NMAC by July 18, 2011. Operator may count these 2 wells towards the 9 wells it must bring into compliance with OCD Rule 19.15.25.8 NMAC by July 18, 2011.
3. Oil and gas produced during swabbing does not count as production for purposes of this Order.
4. Operator shall file a compliance report identifying each well returned to compliance, stating the date it was returned to compliance and describing how the well was returned to compliance (restored to production or other approved beneficial use, plugged wellbore, approved temporary abandonment status.) Transfer of a well identified on Exhibit "A" to another operator does not count towards Operator's obligation to return wells to compliance under the terms of this Order, but does reduce the total number of wells for which Operator is responsible under the terms of this Order. The written compliance report must be mailed or e-mailed to the OCD's Enforcement and Compliance Manager and to the OCD attorney in charge of inactive well agreed compliance orders so that it is received by the compliance deadline of July 18, 2011. The total length of this Agreed Compliance Order is six months.
5. If Operator either fails to bring the required wells into compliance by July 18, 2011 as provided by Ordering Paragraphs 1-2, or file a compliance report by July 18, 2011, Operator agrees to pay a penalty of \$1000 times the number of wells it failed to report or bring into compliance by July 18, 2011 as provided by Ordering Paragraphs 1-2, subject to the terms of this Order. In the event the Operator encounters unanticipated circumstances that prevent it from bringing the required wells into compliance by July 18, 2011 as provided by Ordering Paragraphs 1-2, Operator may apply for a waiver or reduction of the penalty by making the request in writing to the OCD's Enforcement and Compliance Manager. If the Enforcement and Compliance Manager concurs with the Operator's request, the request for waiver or reduction of penalties may be granted administratively. If

the Enforcement and Compliance Manager does not concur with the Operator's request or fails to respond within 10 days, the Operator may file an application for hearing on the request. Any application for hearing on a request for waiver or reduction of penalty must be filed within 30 days of the date the compliance report is due.

6. Thirty days after the compliance deadline set by this Order, any wells on Exhibit "A" not in compliance with OCD Rule 19.15.25.8 NMAC will appear on the inactive well list kept pursuant to OCD Rule 19.15.5.9(F) NMAC.
7. By signing this Order, Operator expressly:
  - (a) acknowledges the correctness of the Findings and Conclusions set forth in this Order;
  - (b) agrees to return the required wells into compliance by July 18, 2011 as provided by Ordering Paragraphs 1-2;
  - (c) agrees to submit a compliance report as required in Ordering Paragraph 4 by the July 18, 2011 compliance deadline set by this Order;
  - (d) agrees to pay penalties as set out in and limited by Ordering Paragraph 5 if it fails to either return the required wells into compliance by July 18, 2011 as provided by Ordering Paragraphs 1-2, or file a compliance report by the July 18, 2011 compliance deadline set out in the Order;
  - (e) waives any right, pursuant to the Oil and Gas Act or otherwise, to an appeal from this Order, or to a hearing either prior to or subsequent to the entry of this Order other than a hearing on a request for waiver or reduction of penalties; and
  - (f) agrees that the Order may be enforced by OCD or Oil Conservation Commission Order, by suit or otherwise to the same extent and with the same effect as a final Order of the OCD or Oil Conservation Commission entered after notice and hearing in accordance with all terms and provisions of the Oil and Gas Act.
8. This Order applies only to the enforcement of OCD Rule 19.15.25.8 NMAC against those wells identified in Exhibit "A." Other wells operated by Operator out of compliance with OCD Rule 19.15.25.8 NMAC may be subject to immediate enforcement action under the Oil and Gas Act and OCD Rules. Wells identified in Exhibit "A" that are out of compliance with the Oil and Gas Act or OCD Rules other than OCD Rule 19.15.25.8 NMAC may be subject to immediate enforcement action under the Oil and Gas Act and OCD Rules.
9. The OCD reserves the right to file an application for hearing to obtain authority to plug any well identified in Exhibit "A" and forfeit the applicable financial assurance if the well poses an immediate environmental threat.
