Attention: Mr. A. W. Lang

Gentlemen:

Your letter of February 17 requests our approval to commingle Strawn oil production from Tenneco Oil Company's well No. 1 USA-Trigg, in the NE $\frac{1}{4}$ SW $\frac{1}{4}$ sec. 8, T. 19 S., R. 32 E., and well No. 1 USA-Moleen Unit, in the SE $\frac{1}{4}$ SE $\frac{1}{4}$ sec. 31, T. 18 S., R. 32 E., Lea County, New Mexico, on leases New Mexico 0750-A and 0136272, respectively. The method of commingling described by the diagram attached to your letter is hereby approved, subject to like approval by the New Mexico Oil Conservation Commission.

You are requested to notify the District Engineer, U. S. Geological Survey, P. O. Box 1157, Hobbs, New Mexico, when the additional wells are added to the installation so that a field inspection of the facilities can be made.

Re: Commingling of Production
Lusk Strawn Field
Lea County, New Mexico

Attached are copies of a Second Amendment to the Agreement to Commingle production dated August 7, 1964. The original agreement covered production from the east half of Section 6, T-19-S, R-32-E. The first amendment included the NW/4 of Section 5, T-19-S, R-32-E, into the commingled battery. This amendment is to provide for the inclusion of tracts consisting of the SW/4 of Section 8, T-19-S, R-32-E, and the SE/4 of Section 31, T-18-S, R-32-E. The well in Section 8 is completed and the well in Section 31 is now drilling. In order to begin production from the drilling well upon completion with no delay, you are respectfully requested to expedite signing two copies of the amendment and returning same promptly to Tenneco Oil Company. A fully executed copy will be returned for your files.

The advantages to all working interest and royalty interest owners were set out in the attachments to the cover letter on the First Amendment. The additional income from the installation of a vapor recovery unit at the commingled battery will be advantageous to both royalty and working interest owners.

Your prompt execution and return of two copies of this amendment is urgently requested. Should you have any questions or require additional data, please contact Mr. J. F. Carnes in our Midland office.

Yours very truly,

TENNECO OIL COMPANY
