Attention: Mr. T. H. Dwyer

Administrative Order CTB-132

Gentlemen:

Reference is made to your application dated November 2, 1964, for administrative approval of an exception to Rule 309-A of the Commission's Rules and Regulations to permit the commingling of oil produced from the Flying "M" Pool on your State "FMA" and State "FMB" Leases, comprising the E/2 and the W/2, respectively, of Section 17, Township 9 South, Range 33 East, Lea County, New Mexico. It is our understanding that each of these leases has a common working interest and that the royalty interest is also common throughout, and that you therefore propose to allocate the production to each of the leases on the basis of periodic well tests.

Under the authority granted me pursuant to Rule 309-B, you are hereby authorized to commingle the above-described production as proposed subject to the provisions of the Commission Manual for the Installation and Operation of Commingling Facilities.

Very truly yours,

A. L. Porter, Jr.
Secretary-Director
