P. O. Box 69  
Hobbs, New Mexico

Attention: Mr. E. Y. Wilder

Administrative Order CTB-150

Gentlemen:

Reference is made to your application dated August 20, 1965, for administrative approval of an exception to Rule 309-A of the Commission Rules and Regulations to permit the commingling of oil produced from your State "AE" and State "AH" Leases in Sections 35 and 36, Township 16 South, Range 36 East, Lovington Paddock Pool, Lea County, New Mexico. The schematic diagram of the proposed commingling installation, as amended and received December 16, 1965, indicates that the production from both leases will be metered prior to commingling.

Under the authority granted me pursuant to Rule 309-B, Cities Service Oil Company is hereby authorized to commingle the above-described production as proposed, subject to the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the provision for non-reset counters on the meters, and provided, that you shall notify the Hobbs District Office of the Commission at such time as this installation is complete in order that a field inspection may be made of the installation prior to putting it in operation.

Very truly yours,

A. L. PORTER, Jr.  
Secretary-Director
