All in Township 8 South, Range 30 East, Chaves County, N.M.

Production shall be allocated to each lease by well tests;
(if this method or the subtraction method above is to be
authorized, all commingled production must be of identical
ownership: working interest, royalty interest, and over-
riding royalty interest).

NOTE: This installation shall be installed and operated in
accordance with the applicable provisions of Rule
309-B of the Division Rules and Regulations and the
Division "Manual for the Installation and Operation
of Commingling Facilities." It is the responsibility
of the producer to notify the transporter of this
commingling authority.

REMARKS: This amended order allows allocation of production
from said leases by means of well tests.
