Attn: Lori Wrotenbery

Re: Surface Commingling, Lease Commingling,  
Off-Lease Storage and Measurement.  
Dagger Draw Upper Penn, North Pool  
Eddy County, New Mexico

Dear Ms. Wrotenbery,

Yates Petroleum Corporation respectfully requests administrative approval to amend Ammended Commingling Order CTB-408 (a copy of which is attached), to add the following well(s).

Hinkle ALD #2  
800' FNL & 1650' FEL  
Unit B, NWNE  
Sec. 28-T19S-25E  
Eddy Co., NM  
Fee Lease

Hinkle ALD #3  
1980' FNL & 660' FEL  
Unit H, SENE  
Sec. 28-T19S-25E  
Eddy Co., NM  
Fee Lease

Ross IZ #2  
1980' FNL & 660' FWL  
Unit E, SWNW  
Sec. 28-T19S-25E  
Eddy Co., NM  
Fee Lease

The production from this well is transported prior to measurement to a common tank battery, located at the Hinkle ALD #1 (Unit G, Section 28-T19S-R25E).

The purpose of the surface commingling, lease commingling, off lease storage and measurement is to reduce operating costs for storage and treating, thereby extending the economic life of each well. Without approval for utilizing existing batteries on adjacent leases, it will become necessary to build separate facilities for each well. This will greatly increase costs and shorten the economic life of the wells.

Because working interests for the wells are different, oil from each of the wells will be measured by positive displacement temperature compensated metering equipment prior to surface commingling. Gas from the wells will also be metered separately. This metering will ensure that all production from each of the wells is equitably accounted for with no significant effect on your revenue. The production is from the same producing zone which is the Canyon.

In accordance with the Oil Conservation Division Rules 303-B, 309-B and 309-C, the following diagrams and maps are attached for your information:

A map showing the location of the wells.

A diagram of the proposed measurement equipment, separators and storage tanks in accordance with the "Manual of Installation and Operation of Commingling Facilities".

Notification of working interest, royalty interest and overriding royalty interest owners.

If you should have any questions or need further information, please give me a call at (505) 748-4178 (direct line).

Thank you for your cooperation.

Sincerely,

A handwritten signature in black ink that reads "Pamela S. Evans". The signature is written in a cursive, flowing style.

Pamela S. Evans  
Production Secretary
