Dear Mr. LeMay:

We currently have permission to surface commingle the above pools. We have recently recompleted well number 2 in the Fowler, Abo.

The production from the above pools are compatible with this new completion and we respectfully request that surface commingling Administrative Order number PC-606 be amended to allow well number 2 in the Fowler, Abo to be surface commingled with the above pools.

We are enclosing a copy of a schematic of the battery showing the flow of the wells. We are also enclosing a copy of the letter mailed to all interest owners in the lease.

Your attention will be appreciated.
