Gentlemen:

Marathon Oil Company is proposing off lease metering and storage of production from the North Indian Basin Unit, Stinking Draw, Bone Flats Federal 12 and MOC Federal wells, with all production being metered prior to commingling. Our records indicate that you are an interest owner in one of the subject wells and as such, pursuant to NMOCD rules and regulations, are required to provide your consent to the proposed commingling of production from the separate leases. Marathon believes that the commingling of production will result in economies of scale that will serve to lower operating cost and benefit all interest owners.

Please indicate your approval by signing in the space below and returning one copy of this letter to this office in the enclosed envelope. The second copy is for your files. Your prompt attention to this matter will be greatly appreciated.

Sincerely,,

R.A. Biernbaum
