Dear Mr. Schoffmann:

We have received your letter of June 22, 1998, wherein you request that the previous approval for surface commingling, off-lease measurement, storage and sales be amended to include production from the above-referenced lands.

Since it appears that there will be no loss of revenue to the State of New Mexico's beneficiaries as a result of your proposed operation, your request is hereby approved. Our approval is given with the understanding that the Commissioner of Public Lands reserves the right to amend or withdraw his approval, should this operation prove to be unprofitable to the state at any time in the future. Also, our approval is subject to like approval by the New Mexico Oil Conservation Division and the Bureau of Land Management.

Your \$30.00 filing fee has been received.
