STATE ENGINEER OFFICE

SANTA FE

S. E. REYNOLDS  
STATE ENGINEER

June 21, 1965

ADDRESS CORRESPONDENCE TO:  
STATE CAPITOL  
SANTA FE, N. M.

211

Mr. A. L. Porter, Jr.  
Secretary-Director  
Oil Conservation Commission  
Santa Fe, New Mexico

Dear Mr. Porter:

Reference is made to the application of Murphy H. Baxter dated June 1, 1965 which seeks administrative approval for conversion of the two following wells to water injection:

Baxter - State 17, Well No. 8, located in Unit H of Sec. 17, T. 17 S., R. 33 E.

Baxter - State 18-13, Well No. 6, located in Unit O of Sec. 13, T. 17 S., R. 32 E.

On June 9, 1965, I asked certain questions of Mr. Baxter which are set forth in my letter, a copy of which was forwarded to you. Enclosed herewith is a copy of Mr. Baxter's reply.

In view of the statements made in Mr. Baxter's letter, it appears that no threat of contamination to any fresh waters which may exist in the area will occur. Therefore, this office offers no objection to the granting of the application.

FEI/ma  
cc-Murphy H. Baxter  
F. H. Hennighausen

Yours truly,

S. E. Reynolds  
State Engineer
