MAIN OFFICE REC

Gentlemen:

In accordance with the provisions of Rule 10 of Order R-1638 of the New Mexico Oil & Gas Conservation Commission we hereby solicit administrative approval to convert West Bisti Unit No. 59 located C SW SE Section 13-26N-14W, San Juan County, New Mexico, to a water injection well for the West Bisti Unit pressure maintenance project. The following listed exhibits are attached to support this application:

1. A plat showing location of well proposed for conversion to an injection well and also showing all wells within the project area and offset operators and locating wells which offset the project area.
2. A schematic drawing of the proposed injection well installation and hookup.

(\*A copy of this application has been mailed this date to the offset operators of the proposed injection well. We will appreciate very much receiving approval of this application.

Very truly yours,

THE BRITISH-AMERICAN OIL PRODUCING COMPANY
