Amendment
Administrative Order PC-98

Gentlemen:

Reference is made to your letter dated August 26, 1965, wherein you request an amendment to Administrative Order PC-98 which order as amended authorizes the commingling of Skaggs, Skaggs-Drinkard, Skaggs-Glorieta, and East Weir-Blinbry production on your M. B. Weir "B" Lease comprising the S/2 SW/4 of Section 12, Township 20 South, Range 37 East, Lea County, New Mexico, allocating the production from each zone on the basis of periodic well tests, inasmuch as the aforesaid production is of marginal nature. It is our understanding that you now wish to combine East Weir Tubb condensate from your Well No. 7 with the aforesaid commingled production, and to continue to allocate to each of the various pools on the basis of periodic well tests.

Administrative Order PC-98 is hereby amended to include the East Weir-Tubb condensate in the commingling authority.

Very truly yours,

A handwritten signature in dark ink, appearing to read "A. L. Porter, Jr.", is written over the typed name.
