Amendment
Administrative Order EC-136

Gentlemen:

Reference is made to your letter dated September 29, 1964, wherein you request an amendment to Administrative Order EC-136 dated April 19, 1963, as amended by our letter of May 19, 1964.

It is our understanding that Marathon wishes to commingle Glorieta, Blinebry, Upper Pennsylvanian, Wolfcamp, and Abo production, Vacuum Field, on your State McCallister Lease comprising the SW/4 of Section 25, Township 17 South, Range 34 East, Lea County, New Mexico, after separately metering the production from the Glorieta, Blinebry, and Upper Pennsylvanian, and determining the Wolfcamp and Abo production by means of the subtraction method, allocating the production to each of the two latter marginal pools on the basis of periodic well tests.

Administrative Order EC-136 is hereby amended as described above, provided however, that you shall notify the Commission at any time any well in the Wolfcamp or Abo zone becomes capable of top allowable production.

Very truly yours,

A. L. Porter, Jr.
Secretary-Director
